Senator Lisa Murkowski  
Ranking Member, Senate Committee on Indian Affairs  
522 Hart Senate Building  
Washington, DC 20510

Dear Chair Schatz and Ranking Member Murkowski:

On behalf of the Wild and Scenic Rivers Coalition, we write to thank you for holding a recent Committee hearing on the Katimiñ and Aameekyáaraam Sacred Lands Act (S. 4439). The Wild and Scenic Rivers Coalition is a national alliance of more than 60 river protection organizations. Coalition member organizations appreciate the Senate's efforts to advance this legislation that recognizes Indigenous sovereignty and the cultural significance of sacred lands and waters to Indigenous Peoples.

The Wild and Scenic Rivers Coalition strongly supports the Katimiñ and Aameekyáaraam Sacred Lands Act, introduced by Senator Padilla and co-sponsored by Senator Feinstein. This bill would return 1,031 acres of land along California's Klamath and Salmon Rivers to the Karuk Tribe. This land transfer will allow the Karuk Tribe to conduct World Renewal Ceremonies and other acts of religious and cultural significance without interruption or interference while maintaining Wild and Scenic River protections. We support the bill's provision to include the Tribe in the management and protection of the rivers within the returned lands.

We support the Katimiñ and Aameekyáaraam Sacred Lands Act and urge you to advance this important bill.

Sincerely,

A handwritten signature in black ink that reads "Lisa A. K. Ronald". The signature is written in a cursive, flowing style.

Lisa Ronald, National Coordinator, Wild and Scenic Rivers Coalition
